## 2009 Region IV & XII Joint CRC: "Alternate" Fishing Trip: Fish the Flats of Tampa Bay with Capt. Dave

Remember the fly-fishing trip from the 2006 CRC in Blowing Rock? If you do you are sure to want to come join us on Thursday, August 6, 2009 for a full day of non-stop fishing action in Tampa Bay. If you don't remember that trip because you didn't participate, here is your opportunity to make amends for that gross oversight.

Fish the flats of Tampa Bay for the Tampa Bay Slam of trout, redfish and snook or tie into spanish mackerel, snapper or maybe even a tarpon. This fishing trip is a Region IV exclusive and provides those dedicated fisherman of Region IV an alternative to Region XII's fishing trip or golf outing. If interested in a party boat fishing trip, Region XII has exactly what you are looking for. If interested in a different flavor fishing experience from that of party boat fishing then this is the trip for you.

I have personally fished with Capt Dave before and he knows his stuff. You'll have more fun than chumming for sharks on a party boat would ever offer.

**Here are the specifics:** Cost \$237.00/person (you get what you pay for!!) all inclusive of lunch, license, live bait, fishing tackle, sunburn, all the fishing action one could ask for on a full day trip with two people (not forty or fifty) per boat and guide. Not included gratuity (~\$25.00/person-discretionary) or sun screen. **Not needed:** Dramamine.

Down payment of \$125.00 holds your spot with final payment of \$112.50 due June 26, 2009. Cut off for initial down payment is April 15, 2009. We have to have a specific cutoff date so as to allow Capt Dave adequate time to line up his fishing guides. Space is limited to 10 boats (20 fishermen).
